food

I've learned that people can use food against you. Sounds crazy, I know. But it's true.

If you're in a disadvantaged situation, without your own backup yet.

Everyone needs to eat, and I've discovered that some people use food to feed those in need - as a means to draw them in, "capture" them, so to speak, creating dependence.

No, I'm not nuts. (at least not in this regard).

I'm awake.

Thank You Jesus for providing me a way to meet my own needs and feed myself. Thank You for feeding your people.
Please feed everyone according to Your will.
Please give everyone a way to obtain their own food, no matter how meager or simple the meals may be.
Please set Your people free from the hands of those who seek to falsely make servants and slaves out of Your people.
In Jesus' name I pray,
amen
